

§ 1201.35

(2) A motion for permission to intervene will be granted where the requester will be affected directly by the outcome of the proceeding. Any person alleged to have committed a prohibited personnel practice under 5 U.S.C. 2302(b) may request permission to intervene. A judge's denial of a motion for permissive intervention may be appealed to the Board under §1201.91 of this part.

(d) *Role of intervenors.* Intervenors have the same rights and duties as parties, with the following two exceptions:

(1) Intervenors do not have an independent right to a hearing; and

(2) Permissive intervenors may participate only on the issues affecting them. The judge is responsible for determining the issues on which permissive intervenors may participate.

(e) *Amicus curiae.* An amicus curiae is a person or organization that, although not a party to an appeal, gives advice or suggestions by filing a brief with the judge regarding an appeal. Any person or organization, including those who do not qualify as intervenors, may, in the discretion of the judge, be granted permission to file an amicus curiae brief.

§ 1201.35 Substituting parties.

(a) If an appellant dies or is otherwise unable to pursue the appeal, the processing of the appeal will only be completed upon substitution of a proper party. Substitution will not be permitted where the interests of the appellant have terminated because of the appellant's death or other disability.

(b) The representative or proper party must file a motion for substitution within 90 days after the death or other disabling event, except for good cause shown.

(c) In the absence of a timely substitution of a party, the processing of the appeal may continue if the interests of the proper party will not be prejudiced.

§ 1201.36 Consolidating and joining appeals.

(a) *Explanation.* (1) Consolidation occurs when the appeals of two or more parties are united for consideration because they contain identical or similar issues. For example, individual appeals rising from a single reduction in force might be consolidated.

5 CFR Ch. II (1–10 Edition)

(2) Joinder occurs when one person has filed two or more appeals and they are united for consideration. For example, a judge might join an appeal challenging a 30-day suspension with a pending appeal challenging a subsequent dismissal if the same appellant filed both appeals.

(b) *Action by judge.* A judge may consolidate or join cases on his or her own motion or on the motion of a party if doing so would:

(1) Expedite processing of the cases; and

(2) Not adversely affect the interests of the parties.

(c) Any objection to a motion for consolidation or joinder must be filed within 10 days of the date of service of the motion.

§ 1201.37 Witness fees.

(a) *Federal employees.* Employees of a Federal agency or corporation testifying in any Board proceeding or making a statement for the record will be in official duty status and will not receive witness fees.

(b) *Other witnesses.* Other witnesses (whether appearing voluntarily or under subpoena) shall be paid the same fee and mileage allowances which are paid subpoenaed witnesses in the courts of the United States.

(c) *Payment of witness fees and travel costs.* The party requesting the presence of a witness must pay that witness' fees. Those fees must be paid or offered to the witness at the time the subpoena is served, or, if the witness appears voluntarily, at the time of appearance. A Federal agency or corporation is not required to pay or offer witness fees in advance.

(d) A witness who is denied the witness fees and travel costs required by paragraphs (b) and (c) of this section may file a written request that the judge order the party who requested the presence of the witness to provide such fees and travel costs. The judge will act on such a request promptly and, where warranted, will order the party to comply with the requirements of paragraphs (b) and (c) of this section.
